

**Provide Your Customers with
the Effective Way to
IMPROVE THEIR APPEARANCE**

SpaLight Teeth Whitening offers:

- No heat
- No gagging
- Quick treatments
- Needs minimal training
- No need for large space
- No special expertise required

How To Use SpaLight

SPALIGHT is quick and simple to use.

1. The client simply inserts the customized tray in the mouth.
2. Place the maneuverable blue light accelerator stand to the front of the mouth.
3. Push start. Relax on our reclining chair.

***In 15 Minutes * Up to 8 Shades Whiter.
No Gagging. No Heat. Effective Results***

Why Choose SpaLight

SpaLight is an incredibly profitable add-on service! SpaLight only uses the HIGHEST QUALITY ingredients.

- FDA approved whitening gel containing 22%-35% Carbamide Peroxide
- The strongest "Blue-Light" light system in the industry.
- Fractions less than a cosmetic dental visit.
- Effective results after the first session.

Ideal for salons, spas, resorts, gyms and other locations offering cosmetic services.
